2019 NATIONAL STUDENT COUNCIL CONFERENCE

In order for all those attending the National Student Council Conference to have a great experience, please read the following information. Please be aware that NatStuCo and NASSP are not responsible for your student delegation, and we rely on your assistance for the following:

- Advisers must complete the registration process for their group on Monday, June 24 in their State Room.
- Advisers must attend the Adviser Welcome Session held on Monday at 12:15 p.m. in the Main Gym. During this session, you will receive updates on changes, important information, and have the chance to ask any questions you may have about the conference.
- Advisers/chaperones are responsible for the behavior and attire of their students at all times and at all events. The following behavior is not allowed: talking during presentations; use of electronic devices or headphones during sessions; interfering with delegate/staff members' ability to participate; inappropriate attire; running in hallways; and creating an intimidating, hostile, or offensive environment. Advisers witnessing inappropriate behavior—even by students from other delegations—should speak to the student(s) involved.
- Advisers/chaperones are solely responsible for hotel costs, check-in, and checkout. The hotel can provide sleeping room billing information the night before departure to facilitate checkout. Sleeping rooms should be inspected upon checkout to make sure that they have sustained no damage. Any damage incurred is the responsibility of the adviser, student, and school.
- Advisers/chaperones must attend all the general session meetings, breakout sessions, and events to supervise student delegates—making certain their students are on time and attending all sessions. Advisers/chaperones are to sit with their respective state delegation during general sessions.
- Advisers/chaperones must check students' sleeping rooms at the stated curfew to confirm that students are in their own rooms and quiet. Additional security guards will be on duty during our conference. At any time should complaints or problems arise, the adviser(s) will be notified to correct the situation.
- The use of swimming pools, spas, whirlpools, adjacent pool areas, and fitness rooms are not a part of the conference program. Any use thereof is at the personal risk of students, advisers, and/or chaperones. NatStuCo and NASSP assume no liability for accidents or injuries that may occur in or around pool and fitness facilities, and any and all public areas, hotel properties, shopping malls, restaurants, etc.
- Advisers/chaperones must review responsibilities and expectations outlined in the Student Commitment Form with their student delegates to clearly define expected behavior prior to signing this form.
- Your signature below indicates that you have read and agree to comply with the expectations stated in the above guidelines. In addition, by signing this form, you are hereby giving consent to NASSP (National Association of Secondary School Principals, sponsor of NatStuCo), its Corporate Sponsor(s), and affiliates to use photographs and videotaped images of you for promotional, editorial, and advertising purposes and vendors.
