

MY NATIONAL CONFERENCE REFLECTIONS

School Name: _____ Date: _____

This activity will help you and the other delegates from your school recall the golden nuggets or key takeaways from the National Student Council Conference. Begin by gathering as a school delegation and sharing your key takeaways from your conference experiences with each other. Then individually, write down your own responses to each of the following questions. When you return to school, meet as a group to share your reflections and ideas with the principal or other school leaders.

LESSONS LEARNED

1. What did you learn about **Leadership** (e.g. leadership skills, council operations)?
2. What did you learn about **Service** (e.g. service to your school, service to the community)?
3. What did you learn about **Student Voice** (e.g. student forums, surveys)?
4. What did you learn about **Engagement** (e.g. getting students involved, school events/activities)?

STUDENT COUNCIL GOALS

5. What ideas, strategies, or activities did you hear about that you would like to implement in our school?
6. As a result of what you learned at the conference, what goal do you think our student council should focus on in the coming school year?

PERSONAL GOALS

7. How did attending this conference impact you as a student leader?
8. As a result of what you learned at the conference, do you have a new personal leadership goal? Is there a leadership skill or trait you plan to focus on improving?
